

All funds raised to during the Bicentenary Year will be donated to Allen Hall, the Diocesan Seminary.

To mark its Bicentenary, St Mary's will be sponsoring the restoration of Allen Hall's Memorial to the Douai Martyrs, those former students martyred in the course of the Reformation. In doing so we will be helping today's seminarians to engage with the courage and example of their forebears. Indeed, as we give thanks for the life of the Abbé Jean Jacques Morel, we will also be reminding ourselves of his own involvement with seminary formation in France and the common link with an institution whose history, like ours, was decisively shaped by the tremors of the French Revolution. Any remaining funds will be used to establish a Discretionary Hardship Fund for those students studying at Allen Hall.

St Mary's Church Hampstead
